 **Thought for the Day:** There are always seeds that bear fruit in good soil. God has not finished with us yet; he is still sowing the seeds. He is still continually moving in his own space through his story. He is still continually veiling his power in the garb of powerlessness. And he is still continually present in the heart of those who hang on to the true values and the divine values, such as truth, love, faith, and justice. Despite all the disappointment and condemnation of the word in God in our society, yet this parable reminds us - Be comforted.
